Hi Dave,

I am beginning to work on allocations for the above promotion. Do you want Stewarts included in this promotion? If so, let me know number of displays per store. If you want, I can send you the 'model' list of Stewarts stores allocated by Winston-Salem which you can make changes on and send back to me.

I will need to know whether or not you want them included by June 5th.

Any questions, call.

Judy
